

Édition 2010

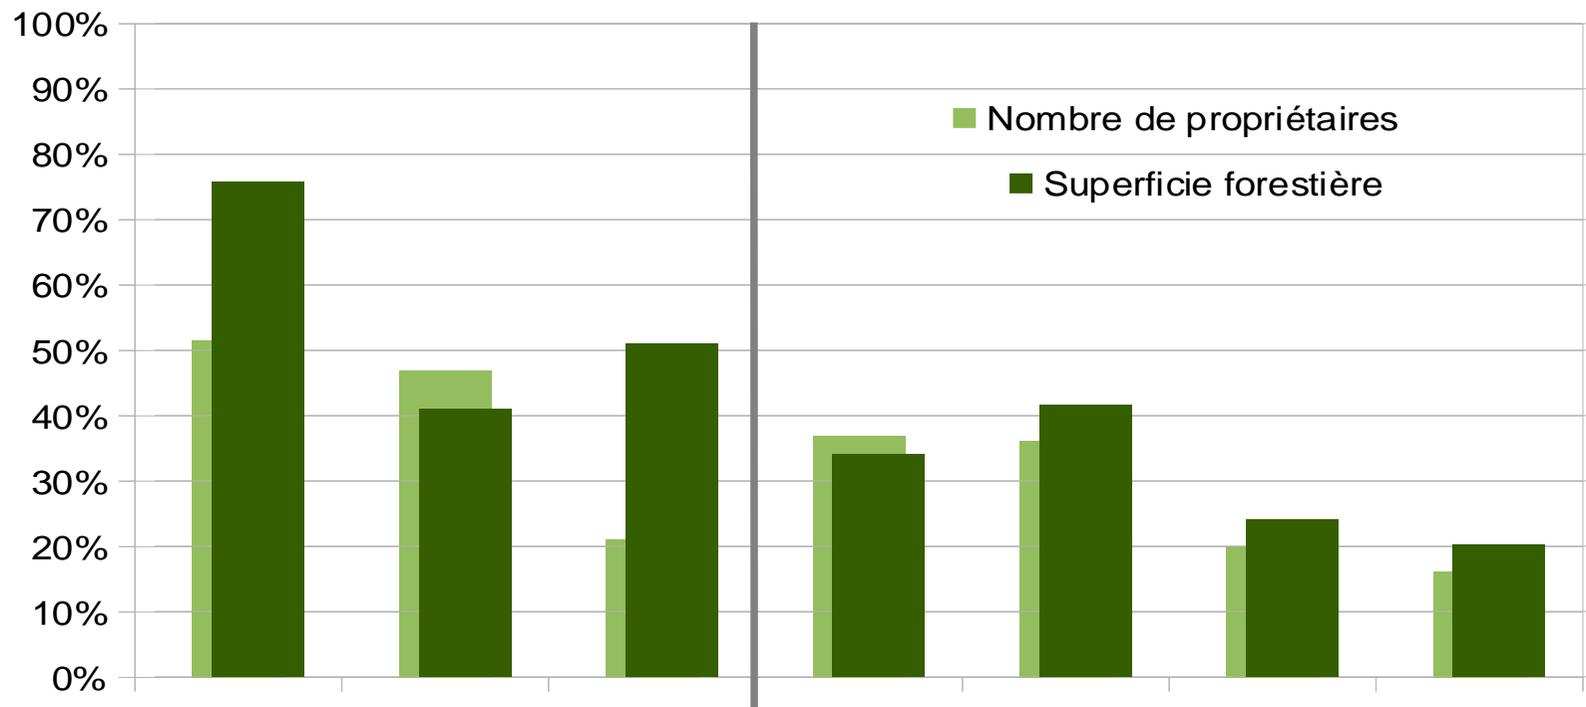

Indicateurs de gestion durable

des forêts françaises métropolitaines

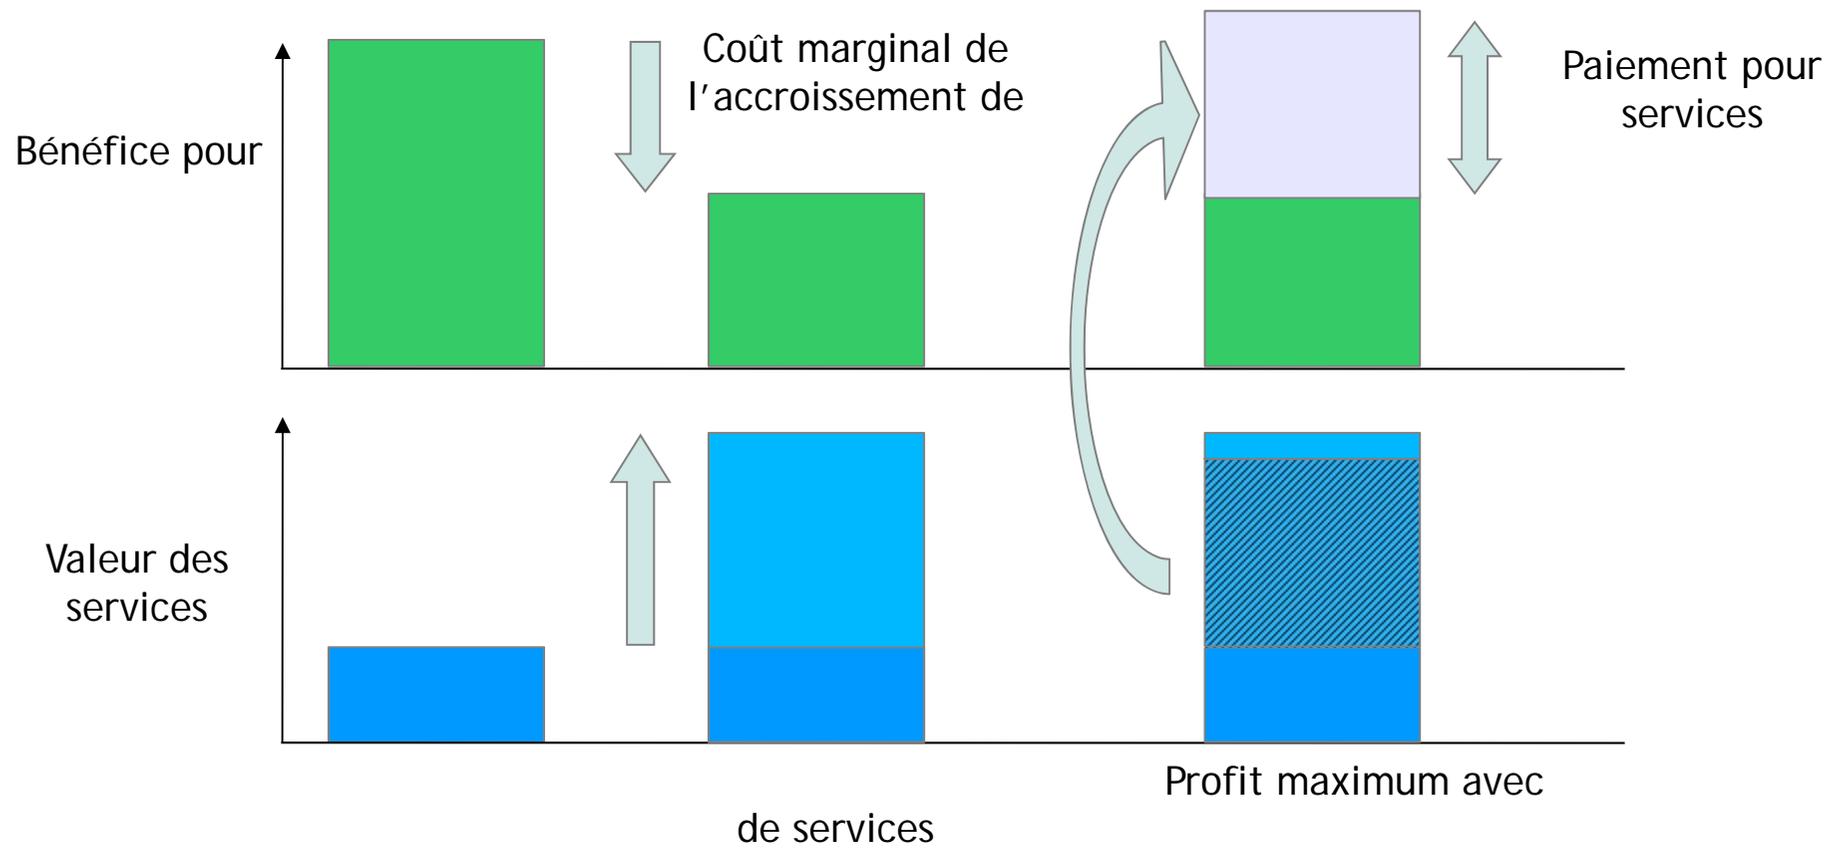

The central graphic features a white background with a green grid pattern on the left side. It contains the text 'Édition 2010' at the top, followed by the main title 'Indicateurs de gestion durable' in large green letters, and the subtitle 'des forêts françaises métropolitaines' in smaller green letters. Below the text is a horizontal line of vertical tick marks. At the bottom, there is a collage of six small images: a person climbing a tree trunk, a close-up of several beetles on a piece of wood, a person walking on a forest path, a woodpecker on a tree trunk, a mountain landscape with snow, and a forest path with a sign that includes the French flag and the logo of the Fédération Française des Forestiers.
